

## **NOTICE TO HIRERS**

### **Portable Appliance Testing**

*To all hirers,*

*Please be aware that if you hire our venue and plug any electrical appliance into our mains system the appliance **MUST** have a valid PAT test certification.*

*This includes anything electrical including Disco and Band equipment or any other items.*

*We require a copy of the PAT certificate for our file. If no PAT certificate is provided the equipment cannot be used and the event will be **CANCELLED**.*
